HOW RISKY IS IT?

The value of the Fund can go down as well as up. You could lose money.

One way to gauge risk is to look at how much a fund's returns change over time. This is called "volatility."

In general, funds with higher volatility will have returns that change more over time. They typically have a greater chance of losing money and may have a greater chance of higher returns. Funds with lower volatility tend to have returns that change less over time. They typically have lower returns and may have a lower chance of losing money.

RISK RATING

Matco Financial Inc. has rated the volatility of this Fund as **low to medium**.

This rating is based on how much the Fund's returns have changed from year to year. It doesn't tell you how volatile the fund will be in the future. The rating can change over time. A fund with a low risk can still lose money.

Low	Low to Medium	Medium	Medium to High	High
-----	---------------	--------	----------------	------

For more information about the risk rating and specific risks that can affect this fund's returns, see sections entitled, "What is a Mutual Fund and What are the risks of investing in a Mutual Fund?" and "What are the specific risks of investing in the Fund?" in the Fund's simplified prospectus.

NO GUARANTEES

Like most mutual funds, this Fund does not have any guarantees. You may not get back the amount of money you invest.

HOW HAS THE FUND PERFORMED?

This section tells you how the Matco Balanced Fund - Series F units of the Fund have performed over the past 10 calendar years. Returns are after expenses have been deducted. These expenses reduce the Fund's returns.

YEAR-BY-YEAR RETURNS

This chart shows how the Matco Balanced Fund - Series F units of the Fund have performed in each of the past 10 calendar years. The Fund dropped in value in 2 of the past 10 calendar years. The range of returns and change from year to year can help you to assess how risky the Fund has been in the past. It does not tell you how the Fund will perform in the future.

 - » are looking to hold the investment for the medium to long-term.

A WORD ABOUT TAX

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.

Keep in mind, that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

HOW MUCH DOES IT COST?

The following table describes the fees and expenses you could pay to buy, own, and sell Series F units of the Fund. The fees and expenses, including any commissions, can vary among series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other funds and investments that may be suitable for you at a lower cost.

SALES CHARGES

There are no sales charges applicable to Series F units of the Fund. You may be required to pay a separate fee to your representative. The amount of any such fee is determined between yourself and your representative.

FUND EXPENSES

You don't pay these expenses directly. They affect you because they reduce the Fund's returns.

As of December 31, 2017, the Fund's expenses were 1.19% of its value. This equals \$11.90 for every \$1,000 invested.
